Dear Janis

Thank you for your letter dated 31 March 2009 inviting me to be Patron of HeartKids Queensland. I am delighted to accept and look forward to an ongoing working relationship with you.

I always consider it an honour to be involved with such worthy community groups and am aware of the countless hours that many dedicated volunteers put into organisations such as this. In my role as Mayor of the City of Ipswich I come across people from all walks of life and it is gratifying to be able to assist where I can and collaborate of projects.

Thank you for asking and I am sure we can achieve much together.

Kind regards

**Mayor Paul Pisasale**
